# lovinglands

## **Living Lands**

### **Vision**

Section 21 not-for-profit organization for conserving and restoring living  
landscapes  
Collaborations working on living landscapes

Secretariat to the PRESENCE Learning Network

### **Mission**

Bring synergies and added value to the landscape through:

1. Promoting living landscapes;
2. Enabling and facilitating social learning/change processes;
3. Mutually beneficial partnerships and participatory networks;

With a positive, creative, committed, honest, and transparent approach.

# ~ PRESENCE ~

What? Where? When? How? Who?

# ~ PRESENCE ~

## Participatory Restoration of Ecosystem **S**ervices & Natural **C**apital, Eastern Cape

*Helping to get people working together  
to restore landscapes for the benefit of everyone*

2. *Trust and understanding on the landscape*
3. *Work as a catalyst towards funding and organisations*
4. *Working on solutions towards a sustainable lands use*

**FIGURE 1-2**

Wife's Point of View. There is no question in the wife's mind as to who is right and rational and who is out of control.

**FIGURE 1-3**

Husband's Point of View. The husband has a very different perception of the same set of events, of course.
