Select any Appropriate Folder for Content

The screenshot shows a web browser window with the URL <http://saeon.dirisa.org/playpen/test-folder>. The page header includes the National Research Foundation and South African Environmental Observation Network logos. The navigation menu contains Home, Metadata, Communities, and Tutorial. The breadcrumb trail reads: You are here: Home → Playpen → Test Folder.

The main content area displays the 'Test Folder' page with tabs for Contents, View, Edit, Linked Metadata, Rules, and Sharing. Below the tabs, the folder name 'Test Folder' is shown, followed by the author 'Wim Hugo' and the last modified date 'Jun 02, 2012 10:10 PM'. A list of sub-folders is displayed, each with a folder icon and a red arrow pointing to it:

A red callout box with the text 'Test Folders' is positioned on the right side of the page, with a red arrow pointing to the 'Test Folder' header. The right sidebar contains a 'My Portlet 1' section with the text 'Text for Portlet 1' and a 'Bulk Uploader' section with a 'Choose your files:' label and a 'Browse' button. At the bottom of the sidebar, there is a 'Manage portlets' link.
